About Me

I am Muhammad Ahmed Akeel, a passionate BBA student at the University of Management and Technology (UMT), currently in my 5th semester. I have a deep interest in business, cars, and social media, which inspires me to blend creativity with strategic thinking in everything I do. My academic journey has helped me develop strong analytical, presentation, and management skills. I am proficient in Microsoft Office applications such as Word, Excel, and PowerPoint, along with working

knowledge of Photoshop for creative design work.

Being a responsible and hardworking individual, I value teamwork and continuous learning. My goal is to start my own business in the near future and create something impactful that contributes to society. I believe in consistency, self-improvement, and turning ideas into real results.
